I, Hendrik Fuchs, herewith confirm that the following project was carried out at our infrastructure SAPHIR in the context of EUROCHAMP-2020 Trans-National Access:

ISOPOOH and IEPOX photochemistry

The amount of access delivered to the project group (project users) is as follows:

|   | Participant name      | First day of access to the chamber | Last day of access to the chamber |           |
|---|-----------------------|------------------------------------|-----------------------------------|-----------|
| <b>Project leader:</b>                                    | Frank Keutsch         | 27/05/17                           | 30/05/17                          |           |
| <b>Project user 1:</b>                                    | Jean Rivera           | 10/04/17                           | 21/04/17                          |           |
| <b>Project user 2:</b>                                    | Alexander Zaytsev     | 16/04/17                           | 28/06/17                          |           |
| <b>Project user 3:</b>                                    | Martin Breitenlechner | 13/04/17                           | 28/06/17                          |           |
| <b>Total amount of access delivered to project group:</b> |                       |                                    |                                   | <b>18</b> |
