¹ Add rows if necessary.

² The amount of access is defined as the time, **in days** (independently from how many people accessed it in the same day), spent by the group at the chamber for this project (physically present in the chamber), including weekends and public holidays if in those days the chamber was accessed (e.g., a group of three scientists who spent 4.5 days at the infrastructure must indicate '4.5'). Please round to half days where appropriate.

³ The document must be **1) Signed by the project leader; 2) Signed by the access provider; 3) Sent to the Coordination office (eurochamp2020@lisa.u-pec.fr) by the access provider (please respect the order).**
