I, John Wenger, herewith confirm that the following project was carried out at our research infrastructure at University College Cork in the context of EUROCHAMP-2020 Trans-National Access:

**Characterization of a broadband integrating nephelometer over the wavelength range 400 and 550 nm:
Aerosol optical parameter retrieval**

The amount of access delivered to the project group (project users) is as follows:

	Participant name	First day of access to chamber	Last day of access to chamber	
Project leader:	Ravi Varma	02/08/2021	31/08/2021	
Project user	Aiswarya Saseendran	02/08/2021	31/08/2021	
Total amount of access delivered to project group¹:				22

¹ The amount of access is defined as the time, **in days** (independently from how many people accessed it in the same day), spent by the group at the chamber for this project (physically present in the chamber), including weekends and public holidays if in those days the chamber was accessed (e.g., a group of three scientists who spent 4.5 days at the infrastructure must indicate '4.5'). Please round to half days where appropriate.

² The document must be **1) Signed by the project leader; 2) Signed by the access provider; 3) Sent to the Coordination office (eurochamp2020@lisa.u-pec.fr) by the access provider (please respect the order).**
