I, John Wenger, herewith confirm that the following project was carried out at our research infrastructure at University College Cork in the context of EUROCHAMP-2020 Trans-National Access:

Investigation of particle formation in the polluted marine atmosphere: simulation, characterization and reaction kinetics

The amount of access delivered to the project group (project users) is as follows:

	Participant name	First day of access to chamber	Last day of access to chamber	
Project leader:	Yosuke Sakamoto	21/08/2019	28/09/2019	
Total amount of access delivered to project group¹:				30

Kyoto, Japan, 31/10/2019

Location and date

 Signature of project leader²

Cork, Ireland, 18/11/2019

Location and date

 Signature of access provider

¹ The amount of access is defined as the time, **in days** (independently from how many people accessed it in the same day), spent by the group at the chamber for this project (physically present in the chamber), including weekends and public holidays if in those days the chamber was accessed (e.g., a group of three scientists who spent 4.5 days at the infrastructure must indicate '4.5'). Please round to half days where appropriate.

² The document must be **1)** Signed by the project leader; **2)** Signed by the access provider; **3)** Sent to the Coordination office (eurochamp2020@lisa.u-pec.fr) by the access provider (please respect the order).
