

## **CONFIRMATION OF ACCESS**

## **EUROCHAMP-2020 Trans-National Access**

Prof. Dr Jan Kaiser University of East Anglia School of Environmental Sciences Centre for Ocean and Atmospheric Sciences Norwich NR4 7TJ United Kingdom Caroline Jacques Laboratoire de Glaciologie Université Libre de Bruxelles ULB CP 160/03 50 Avenue F.D. Roosevelt, B-1050 Bruxelles Belgium

I, Jan Kaiser, herewith confirm that the following project was carried out at our infrastructure RvG-ASIC (formerly ASIBIA) in the context of EUROCHAMP-2020 Trans-National Access:

Testing the sensitivity of an underwater methane sensor HydroC-CH4 to various dissolved methane concentrations to mimmick conditions encountered in the field

The amount of access delivered to the project group (project users) is as follows:

|                            | Participant name                                | First day of<br>access to<br>chamber | Last day of<br>access to<br>chamber |    |
|----------------------------|-------------------------------------------------|--------------------------------------|-------------------------------------|----|
| Project leader:            | Caroline Jacques                                | 28/10/2019                           | 08/11/2019                          |    |
| Project user 1:            |                                                 |                                      |                                     |    |
| Project user 2:            |                                                 |                                      |                                     |    |
| Project user: <sup>1</sup> |                                                 |                                      |                                     |    |
| Total amount of a          | ccess delivered to project group <sup>2</sup> : |                                      |                                     | 11 |

<sup>1</sup> Add rows if necessary.

<sup>3</sup> The document must be **1**) Signed by the project leader; **2**) Signed by the access provider; **3**) Sent to the Coordination office (<u>eurochamp2020@lisa.u-pec.fr</u>) by the access provider (please respect the order).

<sup>&</sup>lt;sup>2</sup> The amount of access is defined as the time, **in days** (independently from how many people accessed it in the same day), spent by the group at the chamber for this project (physically present in the chamber), including weekends and public holidays if in those days the chamber was accessed (e.g., a group of three scientists who spent 4.5 days at the infrastructure must indicate '4.5'). Please round to half days where appropriate.
